1. Introduction

This is a record of the club that began life as Leeds Education Office Sports Club in 1923 and ended as Oakwood in 1990 but for most of the 67 years it was in existence was called Leeds Chirons. The club changed its name from Leeds Education Office Sports Club to Leeds Chirons in 1930 and from Leeds Chirons to Oakwood in 1988.

These records are not complete for a number of reasons. The first is that at various times during the existence of the club minute books, photographs and other records have been lost or accidentally destroyed. Also, when the club was forced to leave the dressing rooms at the rear of Roundhay School that they had occupied since 1925, all the memorabilia there was lost. Another reason that these records are incomplete is that the club's relationship with the local newspapers could best be described as inconsistent. Some seasons were very well recorded with results, match reports and even photographs appearing regularly. In other seasons, mainly in the immediate post-war period and from the mid-1970s onwards, when the club was in decline, very little information appeared in the press. In addition, in the absence of fixture lists or fixture cards it has been very difficult to produce a record of games played in the 1980s. In fact, for season 1987/88, I have been unable to find any fixtures or results. The club was certainly playing fixtures as this was the final season as Leeds Chirons. However, it was also the first season that league competitions appeared in rugby union and lists of fixtures ceased to be printed in the Yorkshire Rugby Football Union handbooks for clubs like Chirons that did not take part in the leagues. The start of the league competitions also meant that usually only league fixtures and results were printed in the local newspapers. The final two seasons of the club, when it was known as Oakwood following a merger with Kitson College rugby club, saw some sporadic coverage of the club's fixtures in the now defunct Skyrack Express.

I have attempted to find as many fixtures and results as possible between the end of the Second World War and 1990, plus fixtures and Yorkshire Cup results between 1923 and 1939. The gaps in the fixture lists that do appear in most seasons do not necessarily indicate that there was no fixture on that date, just that no mention of a fixture or result appeared in the local newspapers. Also, when a fixture is listed but the result is missing, it is probable that the fixture listed was played but I have been unable to find a record of the result. The gaps in the results for some of the seasons following World War Two are there because, due to the newsprint shortages after the War, the Yorkshire Post was often published with only four pages and as a consequence there was very little space for sports results or reports.

The match reports that I have included from the 1930s are mainly from the Yorkshire Post while those from the 1970s are from the Skyrack Express. One or two of the photographs in this record appeared in *Leeds Who?* The book I wrote about the club. Others have been unearthed since the book was published in 2011.

I would like to thank all the former Chirons who have contributed to this record, in particular Neil Ashton, Melvyn Haigh, Phil Richardson, Geoff Tate and Stewart Collins.

4. CUP COMPETITIONS

The club had very little success in the Yorkshire RFU cup competitions, invariably losing in the preliminary or first round. When the Yorkshire Cup was split into three separate competitions and Chirons were placed in the Yorkshire Silver Trophy, the junior club competition, things did not improve.

The only season in which Chirons had what could be described as a 'cup run' was in 1953/54 when they reached the 4th Round.

In the first round Chirons beat Harrogate Georgians by 14 points to 3 at home. In the second round Chirons were again drawn at home against Ripon who they beat by 14 points to 8. In the third round Chirons travelled to Hornsea and won by 13 points to 3.

The 4th round tie away at Selby ended in a 6-6 draw. It was a game that Chirons could easily have won if they had been able to take their penalty goal opportunities. I understand that the Chirons players were optimistic when the replay took place on Saturday 28th November 1953, on Soldiers Field. The cup-tie attracted what was described by contemporary sources as probably the largest crowd ever seen for a Chirons home game, with spectators lining both touchlines.

Unfortunately, despite a very good performance, Chirons were unable to secure the win that would have put them into the 5th round and also the Yorkshire Shield Competition.

The match report for the replay is taken from the Skyrack Express

SELBY TOOK THEIR CHANCES —AND WON

|---------------------|-------|
| Leeds Chirons | 0pts. |
| Selby | 6pts. |

There was really little between these teams, although on balance Selby deserved their win in a clean, hard game. Had Chirons possessed a reliable goal-kicker, however, the result might well have been different, since no fewer than four fairly easy kicks were missed by the home side.

Selby kicked off with the advantage of the slope and early on Shaw cut inside to send Hanson over for a try—disallowed for touching down behind the very shallow dead-ball line. Play continued even, though Selby were not getting a great deal of the ball, and some careless punts ahead put the ball into their opponents' hands. Scrum infringements gave penalties to both teams, but neither side could score, and it was not until after a set scrum that a penetrating Grieveson run sent Swift away to pass inside to HANSON, who scored. Grieveson's kick hit the post. The half ended with a series of line-outs near Chirons' line.

When Chirons pressed on the resumption Grieveson's fielding and kicking were as safe and as powerful as ever. Selby rallied, and a penalty awarded for offside in front of the posts gave GRIEVESON an easy goal. From that point Selby held a territorial advantage, although during one raid Chirons missed another penalty.

Selby won because of the strong scrummaging of the forwards and the defensive qualities of the backs, which was superior to the penetrative powers of Chirons' three-quarters, plus, of course, the fact that Chirons had no reliable goal-kicker.

6. Some 1970s Match Reports

Bridlington 16
Leeds Chirons 0

Bridlington dominated their first round Yorkshire Cup-tie but fine tackling restricted them to a try late in the first half.

Chirons' full back failed to gather a high kick on his own line and Richardson took advantage to score.

Walker increased Bridlington's lead with a penalty goal early in the second half. Oriel was unfortunate not to score for Chirons when he gathered a loose ball and drove for the line. But he lost possession before he could ground the ball.

Bridlington's second try was scored by Barker who broke through several tackles to touch down by the post. Walker converted.

Chirons tried hard to stay in the game but were hampered by a lack of the ball, which was a pity because Chirons backs were good enough to cause all sorts of trouble. A penalty by Walker rounded off the scoring.

Ripon 26pts
Leeds Chirons 6pts

A Leeds Chirons side depleted by injury was no match for Ripon who would have won more comfortably had they taken all their chances. Chirons scored a try through Goslin, which Pateman converted, but tries by Ponberth (2) and Willis together with goals by Simmons saw Ripon home safely.

Yorkshire C.W. 14 pts.
Leeds Chirons 15 pts.

Works played throughout with only fourteen men and led until the 75th minute.

They took an early lead through Dickinson who kicked two penalties. Shaw followed soon afterwards with a try. Chirons were kept under pressure for most of the half but broke just before the interval and Laville scored a try.

Copper Works increased their lead when Banton scored a try but Dickinson's conversion attempt was unsuccessful. Chirons made several handling mistakes which cost them points but Pateman managed to score a penalty and two tries by Gosling took them into the lead a few minutes from time.

Works were awarded a penalty in the dying seconds but Dickinson's kick failed.

Leeds Chirons 'A' 16 pts.
Yorkshire C.W. 'A' 10 pts.

Two penalties by Noon gave Chirons a six-point lead at half time but they struggled at the start of the second period. Works intercepted a poor pass in front of Chirons' posts and scored an easy try which was converted.

A bad clearance kick gave Works possession and they took advantage to score a second try. Chirons' pack eventually regained the initiative and a series of forward rushes gave Burton the chance to drive over the line and score.

Noon converted. Chirons maintained the pressure and Thompson robbed the Works scrum half to score another try.

| Roundhay | 13pts |
| Bingley | 7 |

ROUNDHAY, even without the services of leading scorer Keith Smith and centre B. Blackburn, still proved too good for visiting **BINGLEY** and won by a try and three penalty goals to a try and a penalty goal.

Geoff Ramskill, who had an outstanding game, gave Roundhay an early lead when he kicked a penalty awarded for offside almost in front of the posts. He kicked further penalties awarded for a late tackle and offside at a ruck.

The nearest Bingley came to scoring in the first half was an 80-yard run following an interception and a long-range penalty, both of which failed to produce points. But their fiery forward work was rewarded when they scored a fortunate Scott try after the break and Rayner kicked a penalty. Roundhay replied with a well-taken try by Cyril Woodhead who galloped 30 yards from a lineout.

| Ryton | 19pts |
| Leodiensians | 7 |

Early opportunism paved the way for RYTON's victory by four tries and a penalty goal to a try and a dropped goal by LEODIENSIANS.

Ryton, a tough North East side who have been playing well this season, made an enterprising start and ran in three tries and kicked a penalty goal before Leos' began to settle into their rhythm.

Leos rallied well in the circumstances and reduced the arrears when stand-off I. Nicholson dropped a goal. Leos pegged the score back even further, when M. Potter snapped up a loose ball and slipped it to Hitchcock, making his debut at centre, who raced 75 yards to score. But Ryton had the last word with a try late in the game.

Forwards E. Benson and D. Walton played well for Leos but most impressive were the two new centres Hitchcock and Horsfall. Both tackled so well that the opposing centres were thrown out of their stride while Hitchcock, a former winger, showed his speed by scoring a try.

| Leeds Chirons | 18pts |
| Moortown Stags | 3 |

LEEDS CHIRONS persisted with open attacking football in heavy conditions and eventually wore down a tenacious **MOORTOWN**

defence to win by three tries and two penalty goals to a penalty goal.

Chirons combined well early on and Moortown's few attacking moves were well covered by stand-off Flint, left-wing Cawood, centre Newton and right-wing Mitchell who all came close to scoring. Continued pressure finally paid dividends after the interval when Oldroyd, playing his best game yet at scrum-half kicked two penalty goals.

Moortown replied with a penalty goal but Chirons' forwards, with Harris and Ross prominent, drove to the home line before skipper Moore and Applegarth combined for the latter to score on his first-team debut.

Chirons gained increasing command as the game wore on and centre Gosling and Mitchell each scored a try to affirm Chirons' superiority.

| Leeds Corinthians | 15pts |
| Doncaster | 20 |

LEEDS CORINTHIANS narrowly lost a hard fought game in which the lead changed hands on several occasions before **DONCASTER** scored the winning points.

Doncaster went into a six-point lead with two penalty goals by Horrocks but the Leeds outfit hit back with a fine try by centre Jeff Grace which Paul Simpson converted from the touchline. Leeds also went close through R. Nallon and A. Buzko but both players failed to score.

Leeds took the lead for the first time when Simpson kicked a penalty but Doncaster replied with an unconverted try at the corner. Clive Teal countered with a fine try which Simpson converted but Doncaster centre Williams reduced the arrears to a point at the break.

Second-half exchanges were scrappy and a certain amount of niggling crept into the game. But Doncaster snatched a try and sealed Leeds' fate with a conversion by Horrocks.

To complete a gloomy day for Corinthians the second and third

teams were also beaten. The second team were beaten 10-8 by **ROTHERHAM** and the third team went down 7-0 against **MORLEY**.

| Roundhay Trojans | 8pts |
| North Ribblesdale | 0 |

Tries by Colin Rosenberg and Ian Parker gave ROUNDHAY TROJANS a hard earned win against NORTH RIBBLESDALE. The home pack were stronger in muddy conditions and this paved the way for a try in each half.

Leeds Chirons 21pts.
Halifax Vandals 8pts.

LEEDS CHIRONS played some confident rugby to beat visiting **HALIFAX VANDALS** by a goal, three tries and a penalty goal to two tries — though Halifax full-back Ingham pulled a muscle and had to be put out on the wing.

Winger Mitchell and wing-forward Applegarth figured in early home attacks but Halifax defended successfully until scrum-half Oldroyd kicked a penalty in the 20th minute. Oldroyd added a try soon after following a burst by left-centre Newton.

Halifax responded with a try by left-centre Justice to finish off a passing move but Ingham was reduced to a near-passenger when he pulled a leg muscle.

Chirons, in control of forward play, were strong in the loose where Midgley and D. Illingworth foraged well. Wing-forward M. Illingworth also looked unaffected by a three-week lay-off and he scored a try after a solo run from a lineout on the '25' line.

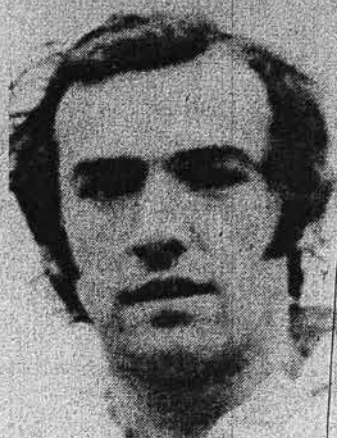

The home side increased their lead early in the second half after Gosling made a break. Midgley got the ball when Gosling was tackled and threw the ball out to Flint who ran in from the '25' line to score a try which Oldroyd goaled.

Wingers Cawood and Mitchell came close to scoring but were denied by determined tackling until Mitchell managed to get the ball along the line from a five-yard scrum to score. Vandals rallied and scored a second try through scrum-half Swallow from a line-out.

Rugby Union

M. Illingworth — returned after a three-week absence and crowned an impressive display by scoring a try for Chirons.

Teal played well in the loose but was out of his depth when it came to the basics of scrum-half technique

Leeds Chirons 16pts
Phoenix Park 16pts

Chirons were 12 points down at the interval but staged a magnificent recovery to lead 16-12 until Park levelled the scores with a try in the closing minutes.

Phoenix, playing down the slope of the pitch, set off at a cracking pace, seizing on any loose ball and backing up keenly. They went close to scoring several times before winning a line-out, close to the Chirons line, from which the ball was passed along the three quarters to left-winger Ellis who scored an unconverted try.

Chirons, with Oldroyd prominent in a number of attacks, kept in the game but Park improved on their lead when, from another line-out, Tinker barged through the Chirons forwards to score a try.

Chirons launched a strong counter-attack but Pateman failed with two penalty attempts and Park scored again through Clough from a kick ahead to Chirons' "25" to lead by 12 points at half time.

Tap penalty

After the interval, Chirons, moved swiftly into the attack. Stand-off Flint broke from a midfield line-out and was tackled just short of the goal-line. A maul

developed and Park were penalised for offside. Pateman took a quick tap penalty and prop forward D. Illingworth went over for an unconverted try.

Chirons maintained the pressure and soon afterwards Gosling, held under the posts, threw out a long pass to left-winger Coverdale who scored a try which Ashton converted.

Almost immediately, a Park kick-ahead and chase on the right flank was checked by a Coverdale 'mark'. His high kick caught the defenders wrong-footed and Tate, following up, forced a five-yard scrum from which Moore at inside centre, took his side into the lead with a try near the posts. Ashton again added the goal points.

A feature of Chirons' second half play was the excellent work of the back row, consisting of Rudge, Tate and Oldroyd, the latter having been brought up from wing three quarter in an experiment.

Yet just when Chirons seemed destined for victory, Park got into the home "25". Moore obstructed his opposite number and Pollard scored a try from a quick tap penalty.

Chirons 'A', away to Phoenix Park, lost 16-10. Although Chirons had a virtual monopoly of possession from the scrums and line-outs Park's defence proved superior and took full advantage of limited opportunities to score three tries to Chirons' two. Walton and Christopher were Chirons' try scorers and Noon kicked a conversion.

Chirons unsettled

INJURY-HIT LEEDS CHIRONS "A" welcomed back wing-threequarter Mick Anderson for their game against HEATH OLD BOYS but lost 28-17 after an early injury robbed them of pack leader Dave Newman.

Chirons lost by a goal, two tries and a penalty goal to two goals and four tries but played well enough in the back division to be optimistic for the future.

Chirons, fielding a strong threequarter line in Coverdale, Gosling, Senior and Anderson, appeared well in command early on and went in front with an unconverted try by Walton. But the loss of pack leader Newman unsettled the Leeds side and Heath came back with a try by Brooke, which Eams goaled, and two unconverted tries by Stones and skipper Wilby.

A fine passing movement enabled Chirons to reduce the arrears with a try by Gosling and right-winger Meir also added a try which Hall converted at the start of the second-half. Chirons's forwards, with hooker Thompson prominent, gave their backs reasonable possession and Senior went over for a try which Noon goaled.

But Heath refused to buckle and dashed Chirons's hopes of victory with late tries by prop Robertshaw and second-row forward Jagger, which were unconverted. Noon kicked a late penalty goal for Chirons.

Injury hit Chirons no match for Hull

Leeds Chirons 4pts.
Hull and E. Riding 32pts.

Injury-hit Leeds Chirons were no match for a strong HULL & EAST RIDING NOMADS outfit which won 32-4, the winning margin being three goals, two tries and two penalty goals to a try.

Injuries forced Chirons to make four changes in their team and Nomads soon had the home side defending. Parkinson put Nomads ahead with a penalty goal and Hughes increased their lead when he went over for an unconverted try from a tap penalty.

Chirons attacked briefly, despite having to move right centre Newton to the wing because of injury, but Nomads hit back with an unconverted try by their dangerous wingman Parker. Again Chirons came forward but their 'kick-ahead' tactics proved in vain and it was Nomads who increased their lead with a penalty goal by Parkinson.

Chirons' only score came early in the second half when Rudge intercepted a pass and slipped the ball to skipper Moore who made 30 yards to score near the posts. Nomads charged down the conversion attempt and hit back through Kettingham after a fine run by Parker.

Troubles

Minutes later Parker scored himself after running half the length of the pitch and evading three tackles. Parkinson converted both tries and then scored and

converted one himself when skipper Moore failed to hold a cross-kick.

No further points were scored but Chirons still had troubles. Shortly before the end Layville joined the others on the injury list when he bobbed off with knee trouble.

CHIRONS 'A', with no scheduled fixture, played an extra game against YARBURY EXTRA 'A'. The match was fast and open and enjoyed by both sides Yarnbury winning 22-19.

Trainer wanted

GIPTON WMC JUNIORS, who play in division two of the Red Triangle League, are looking for a trainer to take over their under-18 side. The players are at present training at a gymnasium on Friday nights but would try and alter this to a suitable night if someone would take over their training. Anyone interested should ring team manager-secretary Mr B. Ambler at Leeds 643661.

Determined Chirons defeat Knottingley

Leeds Chirons 16pts
Knottingley 8pts

Leeds Chirons played with greater determination to overcome their problems and beat visiting Knottingley by four tries to two.

L. Rudge took over at scrum half for Chirons and D. Orrell went into the front row of a reshuffled pack. But Chirons were strengthened by P. Walton's return at full back.

Chirons had the advantage territorially during the opening stages with Flint and Gosling going hard for the line. Good work by Moore made an opening for second rower M. Illingworth at the corner but it remained unconverted.

An even worse miss was made soon after when Knottingley failed with a conversion in front of the posts after left-centre McNally had scored a try.

50 yard dash

Knottingley had the slope in their favour during the second half and gained plentiful possession from the line outs. But their confidence evaporated a little when Gosling broke from his own half and went over for a try.

Good covering and tackling kept Knottingley at bay and Chirons increased their chances of winning when Newton dashed 50 yards

before sending Flint in for a try. Left winger Haigh replied for Knottingley but Cawood ensured a Chirons' victory by evading several tackles and scoring a try.

Leeds Chirons 'A' 12pts
Knottingley 'A' 8pts

Leeds Chirons 'A' overcame their own handling errors to beat hosts Knottingley 'A' by two goals to two tries.

Knottingley, with the aid of poor Chirons' handling, had the better of early exchanges and led 4-0 at the interval by virtue of C. Thompson's unconverted try. But Chirons improved after the break with J. Thompson and Noon giving the visitors superiority in the forwards.

Wing forward Abraham scored both Chirons' tries while Noon added two conversions to put the Leeds' side well ahead. But it was Knottingley who completed the scoring when Hogg went over for a try late in the game.

Junior Cup draw

All three East Leeds teams have been drawn at home in the second round of the Leeds & District FA Saturday Junior Cup to be played on Saturday, January 20. The draw is:—

Leeds Ashley Road v Rothwell Athletic, Gipton WMC v Burley United and East Leeds Celtic or Bramley PC v Middleton Athletic. Bramley Social Junior have a bye.

St. Kevin's were knocked out of the School Cup by a fresher side. Saints fielded four city players who had been in a match that day, and hard though they tried were just unable to pull back the goal.

The under-13 and under-14 teams however, were back to their best. Saints Under-13 team beat Cockburn to qualify for the second round of the Falkingham Cup and the Under-14s crushed Corpus Christi 5-0.

Smeaton recovered well from a shaky start in which they conceded two goals, to take a 3-2 lead with goals from Davies (2) and White, but then relaxed and paid the penalty.

Bardshaw and Panton played well in midfield for Smeaton. Stevens was impressive in defence. Sue Collett, Garner and Davies were the pick of the forwards.

Elmete Hall lost 2-1 to St. Joseph's in the under-14s League. The half-time score was 2-0 to St. Joseph's and the scorer for Elmete

Two late team changes brought in veteran Eric Keeling at prop and newcomer Martin Feeley at lock, with skipper Ian Moore reverting to left centre.

Attacking from the start Chirons took the lead with a Pateman penalty. They extended their lead with a try by Gosling after a good run by winger Cawood. Paten converted.

Pulled back

The visitors had the edge in the line-out, but the back-row, especially Oldroyd, supported by Feeley, covered their half-backs. A spell in the Chirons half brought Northallerton a penalty through Langthorne, who missed a second.

Chirons ended the first period with an 18-3 lead after prop Illingworth scored a try, following a break by Moore, backed up by second-row Harris.

Northallerton used the slope in the second half and pulled back a penalty through Bowes. But after some sound defending, Chirons came back with a try through Gosling, after an interception by Flint.

The visitors took a well-deserved try through left-wing Brown, but Chirons soon replied with a try by Moore.

Northallerton completed the scoring with a try by Oselton, converted by Bowes.

8. Leeds Who?

The story of this junior rugby union club that, for the majority of its sixty seven years in existence, was called Leeds Chirons is told in Leeds Who? It is a story that reflects some of the changes that have taken place in the sport between 1923 and 1990. If you have ever been involved with 'grassroots' rugby, the events and incidents described in this book will hopefully revive memories of a much simpler time. Leeds Chirons played in an amateur era, when results were important but there were no league tables to worry about. The game of rugby on a Saturday afternoon and the social activities that followed it were the reasons you played. Some of the memories recounted make it clear just how much of an impact rugby has on the lives of ordinary people.
